

5K FUN (DOG) RUN/WALK

IN LOVING MEMORY OF SGT. TIM "MAC"

On behalf of the Nauti Dog Brewing Co staff, we invite you to be a sponsor in our first ever **5K Fun (dog) Run/Walk**. When looking back on 2020, and the early months of 2021, we will remember the great difficulty it brought to many of our lives. The COVID-19 pandemic and the economic hardship that followed will never be forgotten. We will remember the losses with it, so too the collective strength everyone demonstrated during this time. We want to shed light on this, and in doing so we will be hosting this event on Sunday, November 14th at Nauti Dog Brewing Co. located at 210 Main Street Winterville, NC.

All the money raised from this run will be donated to The Gary Sinise Foundation, an organization that serves our nation by honoring our defenders, veterans, first responders, Gold Star families, and those in need. Nauti Dog Brewing Co. will donate this money in loving memory of Greenville Police Sgt, Tim McInerney, who passed in his house fire this past June.

Please join us by sponsoring our first ever 5K Fun (dog) Run/Walk.

Sincerely,

Nauti Dog Brewing Co Staff
